FORUM CALLED TO HEAR TAX PROBLEM DISCUSSED

Saturday evening, February 19, has been selected by the Chamber of Commerce as the date for the holding of a public forum, or gathering, in Ukiah for the purpose of hearing the tax problem discussed.

The introduction of the King bill in the legislature has resulted in a big row at Sacramento. The bill is fostered by the administration and Assemblyman J. A. Pettis, of this county, as floor leader, is one of the principal figures fighting for its passage. He will be invited by the Chamber of Commerce to address the gathering and give the administration's side of the question. The Tax Investigation and Economy League, which is fighting the measure will also be invited to send a representative here to put forth their side of the argument.

The meeting will be held in the city hall and as the seating capacity is limited, admission will be by ticket, but will be free. Those wishing to hear the discussion should apply at once for tickets to Robert Austin, secretary of the Chamber of Commerce.

R. E. Dimmick on Board of Trustees

R. E. Dimmick this week was appointed on the board of city trustees taking the place of J. L. Brown, who has been incapacitated for some time, and who tendered his resignation.

Bad Check Man Hooks Victims At Fort Bragg

FORT BRAGG, Feb. 8.—Raymond J. Lewis, said to be an ex-convict, cleaned up $675.75 here Saturday evening with bad checks. He is believed to have left on Sunday's morning train. Discovery of the theft was made when the banks opened up Monday morning.

The victims of the game are:

Carlson's jewelry store for $300.

P. O. Hardell for $290.75.

Isaac Granholm for $85.

The name of Ira Thompson was forged in each case on the checks bearing the printed name of W. J. Hotchkiss Co.

Lewis came to this section several months ago and went to work for Ira Thompson at Howard Creek. He occasionally visited Fort Bragg, and all three merchants who were "taken in" state that he previously made purchases at their stores, paying for same with checks.

At Hardell's Lewis made several small purchases and in payment for the articles he presented a check for $290.75, made payable to Frank Young.

Mr. Hardell told Lewis that the check called for more money than he had on hand, whereupon Lewis replied:

"Well, I need a few more things, and I might just as well get them here."

Thus a suitcase, logger shirt, pair of pants and one or two more items were added to the list, bringing the bill up to $43.

About $10 worth of merchandise, including a hat, was selected at Isaac Granholm's, where a check for $85 made payable to Raymond Lewis was cashed.

Lewis then stepped next door to Carlson's jewelry store, where he invested heavily in jewelry. His purchases here amounted to about $200 and included a $75 Howard watch, a solid gold chain and two small diamond rings. He tendered a check for $300, which, after being endorsed, was taken into Granholm's for cashing, as there was not enough money on hand to turn the deal.

This check was made payable to Jack Storey.

Lewis did his business in the garb of a woodsman but was later seen that evening dressed up, looking on at the dance.

He made a remark while in Carlson's store to the effect that he intended to return to Howard Creek.

All three merchants stated that they had been called upon quite frequently in the past to cash checks issued by Ira Thompson, since he started the Howard Creek mill up last summer.

The courtesies have been chiefly granted on Saturday afternoons and evenings, when the banks were closed.

The checks were dated Jan. 24, Feb. 2 and Feb. 7, respectively.

Deputy Sheriff Ward Reise left on Lewis' trail yesterday morning. He states that his parole expired about three weeks ago.

It is believed that Lewis stole the blank checks from Thompson at Howard Creek.

Mrs. P. J. Neale, daughter of Mr. and Mrs. C. A. Aldrich, arrived this week for a few weeks' visit with her parents. James Aldrich, the youngest son of the family, entered Harvard university Jan. 24.

GOOD OUTLOOK FOR GRAPES SAY BOONVILLE MILL MEN

One would hardly look to a millman for information on the outlook for the grape market, but M. C. Triplett, who owns the Redwood Investment Co.'s mill at Boonville, is home with cheering information for the grape growers. Mr. Triplett makes a specialty of boxes, trays, etc., for the grape and fruit men. With a view of ascertaining first hand what the outlook might be for the industry, and thus, indirectly for his own business, he recently made a trip to Sacramento valley points and San Francisco, accompanied by G. M. Alexander, his sales manager.

He states that they had an interview with the purchasing agent of the Pioneer Fruit Co. at Sacramento and learned that this company is planing on shipping a large quantity of grapes East this season.

The growers who have shipped with this company the past two years are more than pleased with the returns they have received, and the way in which the Pioneer Company has handled their product.

The Redwood Investment Company's mill at Boonville will start operation in the very near future, and run at full capacity getting out box shook and tray stock for this season's supply.

T. J. Glatt, of Hopland, was in town the early part of the week.

Ukiah Chamber of Commerce Takes on New Lease of Life

Under the energetic management of Robert Austin the Ukiah Chamber of Commerce has taken on a new lease of life. At the meeting held this week twenty new members were accepted, the following being included: Mrs. A. L. Gibson, Mrs. Louis Hofman, Mrs. F. T. Barker, Mrs. J. A. Jamison, Mrs. W. D. L. Held, Mrs. Robert Austin, Mrs. L. H. Foster, The Pacific Telephone & Telegraph Co., California Grape Products Co., C. S. Myszka, C. E. Moffitt, D. C. Smith, H. L. Cameron, C. N. Mortensen, E. P. Thurston (Disptach-Democrat), A. R. O'Brien (Ukiah Republican Press), Cunningham & Thomas, P. Connolly, A. L. Tracy, Miss Joan Fraser.

A very comprehensive program for the year's work was outlined by Mr. Austin. The drive for membership will be pushed to the ultimate and along this line a committee of six was appointed, as follows: Mrs. F. E. Rea, Mrs. Orval Tadlock, Mrs. Robert Austin, Louis Hofman, K. P. Buchanan, A. F. Moulton. Each of these six is to bring in two new members after which he or she will be excused from further duty on this committee. A new member will be appointed to take the place of the exempt member, and this will continue until each member of the Chamber has served on the committee.

An interesting feature of the session was the report of the secretary, Mr. Austin, regarding his attendance at the annual convention of the California Association of Commercial Secretaries at Oakland, Feb. 3, 4 and 5.

A chairman for a committee on community plans was appointed in the person of Mrs. A. L. Gibson, who is to appoint two others to work with her on the committee.

Miss Joan Fraser was appointed the chairman of a commitee on ways and means and was authorized to appoint two others for that committee.

Mr. Austin states that the organization of the local chamber is but the preliminary to the establishment of a County Chamber of Commerce, which is to include every town and community in the county as far as practicable. To this end, he was authorized to institute an advertising campaign for the purpose of promoting the organization of the county body.

Interesting Relic at City Library

Mrs. J. H. Clarke, of Laytonville, has presented to Mrs. Burrey, city librarian, a very interesting relic, a photograph of the program used by President Lincoln on the night he was assassinated at Ford's theatre, Washington, Friday evening, April 14, 1865. The photograph shows the blood stains from the wounds of the martyred president. At the foot is an affidavit by W. H. Taylor stating that the photograph is an exact copy of the original, which was picked by Taylor in the theatre the night of the assassination.

Mrs. Clarke obtained the photograph from the effects of her brother, the late Jacob Fowzer, of San Francisco.

The photograph will be placed in the library by Mrs. Burrey and will become one of the treasured posessions of that institution.

Thanks are due Mrs. Clarke for her kindness in giving it.

KILLED IN WOODS

Papers on the inquest over the remains of Andrew Christenson were filed by the coroner in the county clerk's office this week. Christenson was killed January 28 while working for the Union Lumber Co. in their logging woods. He was sawing off a cut, when the log pile on which he was working gave way. He was caught and crushed between the logs. The jury brought in a verdict exonerating the company.

Gibson of Dos Rios, and grandmother of Attorney Lilburn Gibson of this city, and of Mrs. Rosalyn Wylie now in Mexico, and of Mrs. Alice Cox, of New York. Mrs. Hadley at the time of her death was of the ripe old age of 81 years. A few days prior to her death she fell and broke her arm, and the shock was too much for her, and she died while in the hospital treating the fractured member. In her younger days Mrs. Hadley was a talented and gifted musician and vocalist, as many residents of Ukiah will well remember. In the early pioneer days of the State of California, her husband, Mr. T. J. Babcox was a mining man, and he and his family lived variously in Placerville, Oroville and San Francisco and he was very prominent in all early mining activities in this state. APPROPRIATIONS ASKED FOR STATE HOSPITAL

A combined appropriation of $107,606 is asked for the Mendocino State Hopsital in bills introduced into the legislature by Assemblyman Pettis and Senator Purkitt of this district.

Pettis' bill calls for additional equipment, including a water supply at the hospital. The amount requested totals at $87,600.

Purkitt's bill would make possible $20,000 for the purchase of additional land at the institution.

Among the other bills introduced by Assemblyman Pettis of special interest in this county are:

A bill creating a new game district of the Fourth and Fifth Supervisorial Districts so as to permit winter hook and line fishing. The measure will also provide for the opening of trout season at a later date in the summer.

He feels reasonably sure that the bill will become a law.

Another is the County Government bill, which provides for raising the salaries of most of the county officials, as recommended by the Grand Jury. He states, however, that this measure is subject to alteration, and that he intends to look into the salary question very closely before returning to Sacramento.

Mr. Pettis also plans to work in conjunction with the Sonoma county assemblyman, who has introduced a bill placing a limit on abalones.

CELEBRATE CHRISTENING OF VALENTINI INFANT

Among those who participated in the festivities were Mr. and Mrs. Adolph Mazzanti god-father and god-mother; Mr. and Mrs. Tony Cassella and family, Charles Guidi, of Kenwood, Jack Lucchessi, of Talmage, Adolph Antonio, Adolph Mazzanti, Charles Locatelli, of Willits, Lombardo Broggi, of Talmage, Archie Broggi, of Ukiah, Miss Lena Locatelli, of Ukiah, Mr. Colombini, Charles Valentini, Mr. and Mrs. Turri and family, of Talmage, Miss Theresa Margonti, of Talmage, and Miss Pauline Masnado, of Detroit, Michigan.

The family had no idea as to how the fire originated.

DUNCAN ON TRIAL FOR MURDER OF MILO GUIDI

Clement Duncan, the third Indian to be tried for complicity in the recent murder of Milo Guidi, came before Judge Preston for trial last Tuesday morning. It was not until Wednesday afternoon that a jury was obtained. The trial is proceeding and will probably not be completed until tomorrow or Monday.

WILLIAMS GUILTY OF SECOND DEGREE MURDER

The jury in the second trial of Enoch Williams, which was begun Wednesday of last week, brought in a verdict of murder in the second degree last Tuesday evening about five o'clock, after having been deadlocked for 23 hours.

In the first trial of the case, the jury hung for nearly 24 hours, standing five for conviction and seven for acquittal. The complaint in the former instance, however, was one charging murder committed during an attempt to rob, which allowed a verdict of first degree murder only and permitted no compromise verdict. In the present instance the charge was of murder and permitted the compromise of second degree murder. At that the jury hung for many hours, standing seven for conviction to five for acquital. After taking the instructions into the jury room with them Tuesday afternoon, the deadlock was broken.

A peculiar quirk of the law makes the penalty for second degree murder imprisonment from 10 to fifty years. Thus the convicted defendant may not apply for parole until he has served at least ten years of his term. Under a first degree conviction he would have been able to apply for parole after a year's service on his term.

Atty. M. H. Iversen, who conducted the defense, states that he will take an appeal of the case.

MANY NEW CASES FILED THIS WEEK

It is likely that steps will be taken to find a home for her.

Through Piersol & Stone, Augostino Pavioni and Maria Pavioni have filed a petition asking that the court establish the fact that they are a married couple and establishing also the birth of their children.

Through Atty. Wessels, J. Leonard has filed a petition for letters of guardianship over the estate of Francis Dixon, an insane person. ALL URGED TO BOOST ON INVITATION DAY

Taking cognizance of California Invitation Day, which is next Monday, the Ukiah Chamber of Commerce at its meeting this week urged upon all members the importance of prevailing on their friends and acquaintances to take an interest in the activities of California Invitation Day.

The plan is an ambitious one. It contemplates the writing of letters by all residents of California to their friends and acquaintances outside the state, urging them to visit California. If those so writing will give the Chamber of Commerce a list of the names and addresses of persons to whom they have written, the same will be forwarded to the big railroad companies and personal solicitors will be sent to follow up the propaganda with each prospect. The plan is a splendid one for advertising California and all should get into the game and write their friends in the East and elsewhere. The day set for the writing of the letters is next Monday, St. Valentine's Day.

Don't forget to write your letters on that day and turn in your list to the Chamber of Commerce.

G. B. BEVER, PIONEER OF MENDOCINO, PASSES AWAY

Mendocino Beacon)

George Benjamin Bever, better known as "Uncle Ben," passed away at his home here Tuesday afternoon after an illness of short duration. Mr. Bever was well known and highly respected throughout the county and had made his home here for over a half century. His demise will be keenly felt by his host of friends along the coast.

George Benjamin Bever was born in Bates county, Missouri, February 18, 1843, where he remained until 1852, when he moved to Fort Scott, Kansas, and resided there until 1860. During that year he crossed the plains and came to California. He came direct to Mendocino county and worked in the coast lumber mills for a period of five years. He followed different pursuits until 1878 when he erected the Central hotel and embarked in business for himself, having as an associate, his brother, Sam, who preceded him to the grave but two years. He conducted this well known hostelry with success for a number of years and later sold his business to John Silva of this place who still conducts the hotel under the same name.

Mr. Bever was married in January, 1866 to Miss Mary S. Hogan, and since her death, several years ago, he has been failing rapidly.

He leaves to mourn his death, one sister, Mrs. C. A. Linscott, of Point Arena; one brother, Robert, of Navarro; two nephews, Samuel of this place and Charles A. of Fort Bragg, and other relatives whose names we were unable to secure.

The funeral took place Friday from I. O. O. F. hall under the auspices of the order of Odd Fellows, of which Mr. Bever was a member. Interment was in Evergreen Cemetery and was conducted by Rev. W. A. Chapman of Fort Bragg.

Where Is the "Deficit"?

"No appropriation should be considered where the need is not urgent."
—Message of Governor Stephens to the 1917 Legislature.

The people voted, in November, additional State costs totaling $18,000,000.

Governor Stephens in his message to the 1921 legislature declares:

".....it is because of this voluntary action of the people themselves that the financial difficulties referred to have arisen."

Let Us Consider the Facts

State officials estimate our income for the next two years at - - - - -	$67,000,000
Charge up against this the 1919-1921 budget, which was $47,000,000, and add the $18,000,000 voted by the people for the next two years. The total is - - - - -	65,000,000
We still would have left in the treasury	$ 2,000,000

Two Million dollars left, after paying every cent the people of California ever voted to pay.
Two Million dollars left, after paying for every State expense at the rate we had to pay when costs were higher than they will be again for many years.
Two Million dollars left, after re-appropriating in full for the vast burden of "unnecessary duplications and unnecessary waste" which Governor Stephens admits now exists in the State government.
Two Million dollars left, after we Californians spend for our State government twice as much as the average citizen of other states.

Who Wants This Money?

Yet Governor Stephens declares "it is because of the voluntary action of the people themselves that the financial difficulties referred to have arisen."

Governor Stephens goes further. He goes $15,000,000 further.

After we have paid every dollar that we paid in 1919-21, and after we have paid every dollar we voted to pay at the November elections—after we have provided a surplus of $2,000,000 for emergencies, Governor Stephens calls for $15,000,000 more.

Other states are economizing. Illinois in one year has reduced her governmental costs $2,500,000.

Yet California State officials call upon the people for $15,000,000 above all amounts previously spent or now authorized.

Already California is spending vastly more than her sister states which are now reducing their budgets. The per capita government costs for actual running expenses (as distinct from interest and new investments) are shown by the 1919 U. S. census report to be as follows:

Average for all states,	**$5.16**
Illinois,	**3.48**
California,	**7.76**

These Things Are True

The people have created no deficit, and there is no deficit.
The extra $15,000,000 now demanded by state officials is over and above all appropriations ever made in the past and all new expenses authorized by the people. **No increase of any tax rate is necessary.**
Ask your legislator to demand that the state live within its income.

'WAY DOWN EAST' WONDER PICTURE

"Way Down East," the wonder picture spectacle which D. W. Griffith has developed in a new art from distinctly of his own creation, is to be seen at the Victory theatre, Ukiah, for two days, beginning Feb-16. Following the opening, the engagement continues with a matinee Feb. 17 at 2:30 and a night presentation on that date starting at 8 p. m.

The picture spectacle is an evolution of the familiar play of the same title by Lottie Blair Parker which toured America with unvarying success for many years. This statement is inadequate to convey the wonders that Griffith has worked out of this simple theme of plain people in a typical New England community. By his inimitable device of contrasts this master of the screen refreshes the eye, delights with humors of the reflects the four seasons of the year in a country of pastoral charm, showing the freshness of spring, the waving meadows of summer, the colors of a New England autumn and the rigors of winter in that storm centre relieved by sleighing parties, barn dances and bucolic diversions that carry one back in tender memories to the days that are ineffaceable. Its all so human and yet thrillingly dramatic or exquisitely illustrative, and running through it is a holding story of love and lovers kept tossed in doubt by the realities of those stern conditions which saw things in only one light and made little allowances for fallible humans whose fate carries the stirring events to the greatest dramatic climax ever seen in the theatre. The scene where David follows Anna through the blinding storm and finally rescues her from the ice floe just as it is about to plunge over the falls is in the matter of sheer effect of tenseness and thrill indeed a triumph. It is Griffith at his best and those familiar with his touch know what that means.

DANGERS OF A COLD

Ukiah People Will Do Well to Heed Them

Many bad cases of kidney trouble result from a cold or chill. Congested kidneys fall behind in filtering the poison-laden blood and backache, headache, dizziness and disordered kidney action follow. Don't neglect a cold. Use Doan's Kidney Pills at the first sign of kidney trouble. Follow this Ukiah resident's example:

Mrs. R. T. Sullivan, 210 Clara Ave., says: "I consider Doan's Kidney Pills a splendid remedy as I have used them on different occasions when my kidneys have been disordered caused by colds settling on them. I would feel dull and had no energy and my back was weak and ached so, I could scarcely do my work. Doan's Kidney Pills always relieved these attacks, strengthening my back and kidneys."

Price 60 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Sullivan had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv.

Widening Street Around City Park

The past week a great deal of work has been done on the street to the south of the city park. The fences along the right of way have been set back ten feet and the little hill at the eastern end of the street is being reduced. The roadway will be forty feet wide, with a thirty foot roadbed.

Mayor Smith has the work under supervision.

Owing to the big demand made on the camp ground, it has been decided to add a hundred feet to the western end of it, by swinging the fence that distance north, moving on the eastern end of the fence as a pivot.

"GRIEVING FOR YOU"

Al Jolson's newest sensational song hit; "Anytime, Anyday, Anywhere"; "My Mammy"; and "Broadway Rose;" now being featured in San Francisco theatres, will be sung and played for you by a four-piece orchestra at the Blue Moon Dance Saturday evening. Come out and hear some real music.

W. T. Eddie came down from Potter valley last Tuesday, having been summoned as a juryman.

F. F. Zeek, one of the prominent residents of Round valley, was here on jury duty this week.

SOCIETY EVENTS

Mr. and Mrs. J. J. Dashiell gave a brilliant reception in Grange hall on Saturday evening, February 5, in honor of their daughter, Vera Mae, and Clarence Alvin Whittaker, who were united in marriage on January 26, 1921, at the home of the bride's parents, by Rev. A. Pollard, pastor of the local Methodist Episcopal church.

The large hall and banquet room were elaborately and artistically decorated with fragrant narcissi and beautiful native ferns. The many electric lights were so shaded that the beautiful scene was tinged with a delicate rose-colored glow that harmonized perfectly with the spirit of the happy and auspicious occasion.

The beautiful bride and her handsome husband occupied a wonderful bower constructed of ferns and flowers where they received the hearty felicitations of their admiring and affectionate relatives and friends.

This popular young couple who either by consanguinity or marriage are connected with most of the prominent pioneer families of this valley were the recipients of numerous wedding presents, including fine linen, beautiful cut glass, several full sets and many separate pieces of valuable silverware, and enough aluminum ware to last them the rest of their lives.

J. G. Newman, who presided over the ceremonies of the evening, made a brief address, after which other numbers on the program were rendered as follows:

Piano Solo.....Rev. A. Pollard
Vocal Solo, entitled "All that I Ask is Love,"....Mrs. C. J. Carr
Essay on the subject of "Love and Marriage" by Mrs. G. H. Busch.
Vocal Solo, "Call Me Thine Own," ..... Mrs. J. J. Dashiell
Songs and recitations by Margaret and Elizabeth Frasier.
Vocal Solo, "I'll Love You as Long as the World Rolls on ..... E. H. Shimmin

The march "I Love You Truly" as a prelude and the wedding march were played by Mrs. George Armbruster. The grand march which terminated in the banquet hall and in which all guests took part was skillfully led by Mr. and Mrs. F. E. Hopkins. The tables, charmingly decorated and abundantly laden with such a variety of delicious edibles, were a beautiful sight to behold. Slices of the wedding cake, a fruit cake made by the bride's mother, Mrs. J. J. Dashiell, were wrapped in tissue paper and tied with ribbons of white and rose; and used as favors. The bride's cake was really a work of art, and was a product of the culinary skill of Mrs. Laura Lierly, a great aunt of the groom. It was an immense silver cake frosted in white and decorated with interlocked hearts outlined in rose color. The blessing was asked by Rev. A. Pollard. The supper which was served at 10:30 consisted of chicken sandwiches, cakes, gelatine, whipped cream, coffee, etc. At the call of toast master J. G. Newman, toasts were responded to by the following young people: Floy Day, Jack Hampton, Miss Henrietta Woods and Henry Gibson. Miss Alma Eddie, cousin of the groom, read greetings which were said to come by mail, telephone, telegraph and cable from relatives and friends at a distance, including those from Lord and Lady Henrik Stampe of Copenhagen, Denmark, who are cousins of the bride. After supper, dancing was enjoyed for a time.

Chief among the charming costumes worn was that of the bride, a handsome wedding gown of beautiful brown satin messaline. Mrs. J. J. Dashiell was beautifully and becomingly attired in a charming creation of French blue georgette crepe elegantly embroidered in cherry colored beads.

Mrs. V. L. Frasier wore a handsome gown of rich navy blue satin.

Mrs. George Armbruster was charming in pink taffeta, while Miss Vivian Burrows was resplendent in crimson tulle draped over gold-colored satin.

Miss Ruth Busch and Miss Aimee Frasier wore elegant evening gowns of black lace over black satin.

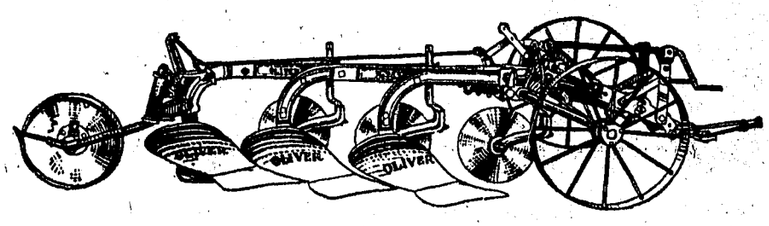
Lower Farm Implement Prices

The break has come. For sometime prices paid for your farm products have been low. It is but natural for you to want lower prices on the farm implements used in producing your crops.



Announcement is made by the Oliver Chilled Plow Works of a general price reduction in their lines that brings prices to the basis of 1918. They are the first to make this reduction and are taking the loss that it brings —for there has been little reduction in labor or material —as their contribution in hastening a return to normal conditions.

This is your opportunity to secure new, up-to-date Oliver quality implements that will help you produce a full crop, and get them at a price in line with the reduced prices on your farm products.

Mr. Austin gave an enthusiastic talk on "Our Civic Duty,"-emphasizing the needs of the local schools and the necessity for cooperation in this community.

Other numbers on the program were Indian songs, MacDowell, rendered by Miss Alice Pettis, and readings from Whitcomb Riley, by Mrs. Chester Cox. Mrs. Held, Mrs. Thomas and Mrs. Cook assisted Mrs. Bromley as hostesses.

The club went on record to further in every way the presentation of "Alice in Wonderland," negotiations being under way by the combined women's organizations of this city to present this well known picture as a treat to the children of Ukiah, especially, and the community in general.

A brief report from the building committee with regard to negotiations in connection with the American Legion's contemplated new building, was unanimously accepted.

S. F. Speer and family were Ukiah visitors this week. They have just finished a tour of southern California, and will make their permanent home in San Francisco.
